Discover the meaning of The Ancient Indigenous Prophecy of The Eagle & The Condor, from the ancient Naulwalmekah perspective and how it relates to the changing times we are experiencing now.

Learn an ancient natural wisdom system to assist you in preparing you spiritually, mentally & physically for this great transition.

This system belonging to the warrior class of the great Mesoamerican cultures of the South, the Land of the Condor, is now meant to be shared, and given to the Warrior people of the North, the Land of the Eagle.

“The Eagle & The Condor Reuniting Retreat” – explores ancient Naulwalmekah shamanic mysticism assisting you through understanding:

- How the Eagle and the Condor have become One within the Circle of Life, and what this means for Humanity.
- How to reconnect and co-create with Nature through Indigenous Tolteca Teachings, Animal Wisdom, and alchemizing Sacred Earth’s Elements.
- How to reawaken primal instincts of the Eagle and the Jaguar within, by learning how to see, think and soar like the Eagle, and how to move, feel, trust and roar like the Jaguar.
- How to develop the Mystical Vision of the Eagle and the Cosmic Heart of the Jaguar, through the daily practice in The Initiation of the Toltec Cosmic Dance of Manifestation Movement Meditation.
