Class Details:

This 9-day retreat style class is a life changing experience! Includes Level 1 – “Sound Gates to Meridian Harmonics” in 4-days, with Monday, March 3, a day off in between. Then Level II – “Higher Harmonics & The Inner Nature of Tone” in 4-days. Enjoy ample morning time for yoga, Mayan tai chi or meditation at the beach, with only a five-minute walk from the training. Relax with a mid-day break to enjoy lunch onsite or the vast options of Mexican Cuisine within the “Pueblo Magico” of Todos Santos.

Learn to integrate all 3 levels of forks with Tibetan Bowls, Bells, Chimes & Gongs with confidence for your full Acutonics session practicum upon completion.

On February 14, Valentine’s Day, the day off in between trainings there’s an optional half-day Ceremonial Drum & Rattle making workshop being offered by a Lakota Wisdom Keeper. Let me know if this is something you may be interested in. There’s an additional fee for this.

Level II is held over the New Moon in Aquarius Solar Eclipse on February 17 and come to learn how to integrate a New Moon Sound Bath into your offerings.

Each 24 credit hour Level 1 and Level II training has been exquisitely designed and expanded over 8 days for you to be able to experience and integrate daily practicums and enjoy all the nature and magic of Tierra Canta Earth & Sound Healing Sanctuary and Baja. The whales are here!! From December – March, the grey and humpback whales are here for you to experience while you are at the beach or from our 3rd story viewing roof.

Enjoy an evening of warm connection, ancient history and story telling around our relaxing outdoor fireplace. Day of rest in between trainings to relax, explore the mountains, desert and ocean landscape, or taking self time to integrate the teachings. Immerse yourself in nature with a dip in a secluded beach nearby, rent a paddleboard or kayak with us to explore one of the most beautiful beaches in the world, or explore the downtown Todos Santos Colonial architecture and art district, taking in all the sites, cuisine & culture that Baja Mexico Folklore has to offer.

Feel renewed, rested, and transformed from receiving all of the energetics of the Planetary Tunings and the magic of Baja. Clearly a life changing and transformational training!
