This workshop introduces the Acutonics System and is open to anyone interested in studying Acutonics.

You will learn to apply Acutonics precision calibrated tuning forks using sound intervals based on the orbital properties of the Earth, Moon and Sun to treat a wide variety of physical, psychological and spiritual conditions. Come explore the art of applying sound to sacred gateways allowing access to ultimate potential, vitality and greater consciousness for yourself and/or your clients.

This 24 credit hour Level I is exquisitely expanded from 3 days into 4, for a more relaxed retreat style experience, allowing ample morning time to enjoy yoga, Mayan tai chi or meditation at the beach with only a five-minute walk from the training. Relax with a mid-day break to enjoy lunch onsite or the vast options of Mexican Cuisine within the “Pueblo Magico” of Todos Santos.

Join us on May 18, for the special Sun and Jupiter conjunction, bringing much abundance and prosperity to you through the sound teachings, launching you into positive new beginning as you integrate the sound healing medicine for yourself and your clients.

Enjoy an evening of warm connection, ancient history and story telling around our relaxing outdoor fireplace. Expand your horizons with the mountains, desert and ocean landscape and take a surf lesson, horseback riding or walk on the beach, while allowing yourself some self time to integrate the teachings.

This retreat is a life changing experience! Are you ready? Come and explore the nature and magic of Tierra Canta Baja Sound & Healing Retreat Sanctuary; a refuge for the soul, and Baja while you study, learn, explore, rest, relax, rejuvenate, breathe, expand, & transform.
