Class Details:

This retreat is a life changing transformational experience!

Acutonics II deepens your knowledge of the application of Earth, Moon and Sun Intervals to unique acupuncture point combinations. This course builds on Level I teachings and introduces you to the Acutonics High Frequency Earth Moon Set and the Low Frequency Earth Moon Set, and other sound healing tools including Tibetan Bowls, bells, gongs, drums, rattles, and the didgeridoo.

This 24 credit hour Level II is exquisitely expanded from 3 days into 4, for a more relaxed retreat style experience, allowing ample morning time to enjoy yoga, Mayan tai chi or meditation at the beach only a five-minute walk from the training. Relax with mid-day break time to enjoy lunch onsite or the vast options of Mexican Cuisine within the “Pueblo Magico” of Todos Santos. Enjoy a casual dinner overlooking the water, while listening to the sound of waves and taking in the natural surroundings and habitat, while the sun sets over the ocean. Share in an evening of warm connection, ancient history and story telling around our relaxing outdoor fireplace.

Learn to integrate all 3 levels of forks with Tibetan Bowls, Bells, Chimes & Gongs with confidence for your full acutonics session practicum upon completion. On Tuesday, December 12, on the New Moon, you will receive a Full Moon Sound Immersion and learn how to integrate sound immersions into your own sound practice.

The whales are here! From December – March, the grey and humpback whales are here for you to experience. You can enjoy them just five minutes away while you are at the beach or from our 3rd story viewing roof.

This retreat is a life changing experience! Are you ready? Come and explore the nature and magic of Tierra Canta Baja Sound & Healing Retreat Sanctuary; a refuge for the soul and Baja, while you study, learn, explore, rest, relax, rejuvenate, breathe, expand, & transform. Be bliss, blessed & caressed by the sun and magic of Folklorico Mexico and the harmony of the Planetary Tunings.

Get your passport ready!

Required for practitioner certification
