### **Class Details:**

Level IV includes advanced harmonic training exploring the planetary 5ths as portals, as well as the introduction of the planetary tones of Nibiru and the Asteroid Goddesses. Introduction to basic astrology introduced and explore where the Asteroid Goddesses are within your natal chart.

Learn a planetary installation with Chiron/Nibiru for healing our genetic code. Learn an Asteroid Goddess installation for bringing more joy to the heart. Receive a deeper understanding of Chiron and it's role in initiating you into your soul's purpose. Attune to the planetary cycle of Nibiru and have a clearer understanding of how this cycle relates to it's predicted return in ancient prophecy.

This 24 hour, 3-day class is expanded into 4 days for a more relaxed retreat style experience, allowing ample morning time to enjoy yoga or meditation at the beach and mid-day break time to enjoy the "Pueblo Magico" of Todos Santos, home to the famed Hotel California of the Eagles.

Enjoy the freedom & nature that the desert, ocean and mountain landscape has to offer. Tierra Canta Earth & Sound Healing Sanctuary is just a 5-minute walk to the beach! Study, learn, explore, rest, relax, breathe, expand, transform. Feel blissed, blessed & caressed by the sun and magic of Mexico and the harmony of the Planetary Tunings.

Required for practitioner certification.
